## **Disclosure of Relevant Financial Arrangements**

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the University of Kansas Medical Center Continuing Education must ensure that the health and well being of the public is more important than any economic interest, and that activity content is effective in improving practice, independent of commercial interests, and based on valid content. Individuals with control over the content of this activity are required to disclose to the learners any relevant financial relationships within the past 12 months with any proprietary entities producing healthcare goods or services related to the content of the activity (with the exemption of non-profit or governmental organizations and non-healthcare related companies). This includes any relevant financial arrangements involving their spouse/partner. Relevant financial relationships may include employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, etc. The intent of this disclosure is not to prevent an individual with a relevant financial relationship from being a planning committee member, a teacher, or an author of continuing education having control of, or responsibility for, the development, management, presentation, or evaluation of the continuing education activity, but rather to assist the provider in the identification and resolution of conflict of interest prior to the activity and to provide the learners with the information they need to determine whether these interests or relationships influenced the content of the activity.

## **Planning Committee Disclosure**

The following individuals involved in the development and management of this activity do not have relevant financial relationships with any commercial entities producing healthcare goods or services related to the content of this activity: Donna Barnes; Julie Darrington, B.A.; Cathy Hightower; Jeffrey M. Holzbeierlein, MD; Mary L. Kinnaman, PhD, RN; Kevin R. McDonald, MD; J. Brantley Thrasher, MD; Andrea Shaw, MA; and John W. Weigel, MD.
